- YMCA of the Highland Lakes

At the YMCA of Central Texas Camps, the ABC's of Summer Camp serve as the foundation for both Day Camps and Overnight Camp Programs. Our mission is to increase every camper's sense of accomplishment and belonging while helping them instill positive character traits and values. The tools at our disposal are well-trained staff, carefully planned programs, modern facilities, and the great outdoors.

ACCOMPLISHMENT – Campers gain a sense of accomplishment by trying new activities, overcoming challenges, conquering fears, and learning skills. Not only do we value accomplishment, but we also celebrate persistence and the "I can do this" mindset. These real world accomplishments raise the self-confidence and self-esteem of each camper.

BELONGING – Making new friends and being a good friend helps campers develop a sense of belonging and creates a camp culture of inclusiveness. At the YMCA of Central Texas, each camper is a valued and important member of this camp community.

CHARACTER – We discuss character traits and values in many ways at camp. YMCA of Central Texas Camps place an emphasis on learning, perseverance, and striving to be your best self. Our core values of Honesty, Caring, Respect, and Responsibility are the foundation on which our summer camp programs are built. Our staff not only talk about these values, they model them every second of the day and praise these values when they see them.
