

## What is EGYM Genius?

Experience hyper-personalized, data-driven training with EGYM Genius!

Our Genius Trainers provide guided workouts tailored to your goals, using all equipment across the entire YMCA gym—including free weights! These dynamic training plans adapt and progress with you, ensuring continued challenge and improvement. Members can customize their workouts by adjusting the order, weight, reps, set, or even swapping out exercises—putting control and flexibility at your fingertips. Explore our packages and start your journey with a Genius Trainer today!
